

Research Excellence India Citation awards 2015

Presented by

Thomson Reuters

to

Dr. Vinay Gupta

For

Dr. Vinay received the award for his work in the area of Physics and Energy. Every three years, Thomson Reuters draws up a list of 10 eminent Indian researchers who demonstrate the strongest performance in their research areas by way of highly cited papers and total citations to those papers in the last 5 years. He was adjudicated as the top Indian scientist among the top ten in the last 5 years.
