

**Date 14 June 2017**

**Important notification**

**Termination of the “Teleclock” and “Mobile Teleclock” services  
Effective from July 14, 2017**

In view of non-effectiveness of the “Teleclock” and “Mobile Teleclock” services in comparison to the presently available most up-to-date technologies for synchronizing “time” with the Indian Standard Time (IST) that is maintained by CSIR-NPL, we are planning to shut them down from midnight of 14<sup>th</sup> July 2017. In this connection the telephone lines +91-11-4560 8687 and +91-11-4560 8688 will no longer be operational for synchronization IST from midnight of 14<sup>th</sup> July 2017 onwards. CSIR-NPL will not be liable for non-availability of the Teleclock and Mobile Teleclock services after midnight of 14<sup>th</sup> July 2017. For any query, please contact Subhadeep De at [subhadeep@nplindia.org](mailto:subhadeep@nplindia.org).
