

CONFERENCES, SYMPOSIA, WORKSHOPS AND EVENTS ORGANISED BY NPL

<p>April 7-11, 2008 Training programme on organic electronics research and application</p> <p>April 25, 2008 XXX11 Krishnan memorial lecture by Dr. APJ Abdul Kalam</p> <p>May 16, 2008 Workshop on World Metrology Day and National Technology Day.</p> <p>June 10, 2008 PTB German delegates meeting</p> <p>July 7, 2008 User Awareness Programme on Material Characterization Technology.</p> <p>July 7-11, 2008 Workshop on Materials Characterization Techniques</p> <p>July 17, 2008 Meeting of Indian Woman Scientists Association. A lecture by Dr. Saskaran, Deptt. of Space.</p> <p>August 12, 2008 1 Seminar for exposure for Lab-view software. 2 Introduction on Mat-Lab Training Programme.</p> <p>August 25, 2008 Workshop on Electrical Metrology and Training course on dimensional metrology.</p> <p>September 4, 2008 Workshop on Physics Research and Implementation.</p> <p>September 5, 2008 1 Workshop on Indo-Canadian collaboration project. 2 Training course on Quality Management System evolution of uncertainty ISO 17025.</p> <p>September 18, 2008 Seminar on Ferro Fluid</p> <p>September 25, 2008 Open day celebration.</p> <p>October 15, 2008 Discussion meeting on environment measurement and traceability, Indo German co- operation.</p> <p>October 21, 2008 International conference on magnetic materials.</p> <p>November 18, 2008 Fourteenth APAM conference and ILTP workshop on nano science and Technology. APAM General Assembly Programme.</p>	<p>November 22, 2008 Indo Taiwan DST sponsored workshop</p> <p>November 24-26, 2008 "Indo-Taiwan Workshop on Solar and Fuel cells" sponsored by DST, Govt. of India.</p> <p>December 4, 2008 Discussion between Vietnamese delegates with NPL Scientist regarding management technology transfer Issue. Training on Glass Technology</p> <p>December 16, 2008 A course on Radio metrology and Radio wave propagation overseas.</p> <p>December 16-18, 2008 A course for the Officers of the Indian Navy entitled "Fourth Short-term Course on Radio Meteorology and Radio Wave Propagation Over Sea"</p> <p>December 22, 2008 Sir S.S. Bhatnagar Award Function</p> <p>January 7, 2009 A lecture by Prof. C.G. Kim on translocation and sensing of Biomedicular tags/codes by magnetic method for biomedical application.</p> <p>January 16, 2009 PT Planning meeting on "Pesticide in Tea" under MIC/ CRM Programme.</p> <p>January 19 2009 Training centre in HRD</p> <p>February 15, 2009 NPL-PTB Workshop & Discussion meeting on MiC Cooperation in Environment sector for MiC /CRM awareness and education.</p> <p>February 16, 2009 ADMET Programme.</p> <p>February 16-17, 2009 Chemical Metrology Workshop (CMW-2009) New Delhi, India organized by NPLI and Metrology Society of India.</p> <p>February 18-20, 2009 7th International Conference on Advances in Metrology (Admet-2009) 2009, New Delhi, India organized by NPLI and Metrology Society of India</p> <p>February 23, 2009 Training programme on Mass Metrology</p> <p>February 25, 2009 DST Brain storming programme</p>
