Dear Madam/Sir,

We are pleased to inform you that the CSIR-National Physical Laboratory (CSIR-NPL) is celebrating the CSIR-Foundation Day. On this occasion, CSIR-NPL will open its doors to college and school (preferably class 8 to 12) students to explore the state-of-the-art experimental facilities of the laboratory and various research fields. It will be our pleasure if you could kindly send your selected science and/or engineering students (preferably up to 30), along with faculty (up to 5), to CSIR-NPL on **October 17, 2025 (Friday)**. It is the National Metrology Institute of India and is one of the leading science and research laboratories of the country. It is also one of the leading centres of excellence in establishing and disseminating standards of length, mass, time, voltage, current, etc. The laboratory houses sophisticated and state-of-the-art facilities in the fields of science, quantum physics, engineering, materials, electronics, environmental science and others. There will be various scientific models, instruments and exhibits on display along with the audio-visual shows on the scientific activities of the laboratory. The students would also get an opportunity to interact with scientists working in various areas of research. We are sure that your students and faculty would find the visit to CSIR-NPL very enriching, inspiring and highly motivating.
