August 27, 2026

Dear Madam/Sir,

We are pleased to inform you that the **CSIR-National Physical Laboratory (CSIR-NPL)** is celebrating the **CSIR-Foundation Day 2026**. On this occasion, CSIR-NPL invites college and school (preferably classes VIII to XII) students to visit the laboratory and explore its advanced experimental facilities and diverse areas of research. We would be pleased to host your students (up to 30), along with faculty (up to 5), at CSIR-NPL on **October 8th, 2026 (Thursday)**. The laboratory will be open from **09:30 AM to 12:00 PM** for visits by students and faculty.

The **CSIR-NPL Open Day** aims to encourage scientific curiosity and foster a passion for science, particularly among young minds, by providing an opportunity to experience the scientific and technological work being carried out at CSIR-NPL, one of the leading scientific research laboratories of the country. As the **National Metrology Institute of India**, CSIR-NPL is responsible for establishing and disseminating national measurement standards for physical quantities, including length, mass, time, voltage, current, etc. The laboratory houses state-of-the-art facilities in the fields of physics, quantum science, metrology, engineering, materials science, electronics, environmental science, among others. There will be various systems, instruments, scientific models, and exhibits on display, along with audio-visual presentations highlighting the scientific activities of the laboratory. Students would also get an opportunity to interact with scientists working in various areas of research. We are confident that the visit would motivate young minds to pursue science and contribute to the vision of Viksit Bharat through innovation and research.

In order to participate in this event, you are requested to kindly **pre-register online for the event** by filling out the **registration form** (link at top) on or before **September 30, 2026**. The duly filled **participation form** (available for download in the registration link) with the signature and stamp of the Head/Director/Principal must be **uploaded while filling the online registration form**. The team leader of your institution must **carry the duly filled (signed and stamped) participation form on the day of the visit**.

Please feel free to mail us for any query.

For better management, **Prior Registration** is preferable. Please note that **groups of more than 10 students may not be accommodated without prior registration**.

We are looking forward to your participation and gracing this occasion with your presence.

Thanking You.

Yours sincerely

Dr. Ajeet Singh

Overall Coordinator

CSIR Foundation Day/CSIR-NPL Open Day Celebration – 2026

Chief Scientist and Head, HRD, CSIR-NPL
